## Technology Discussion (part 2)

### Social Networking -

- What are the options?
  - Social networking sites - Facebook, Twitter, blogs, podcasts, texting
  - These must all go together.
- How can we make it work when teachers have all different comfort levels with technology?
  - Offer incentives to log on to networking sites.
  - Use a blog to post items (articles, links, video clips etc) and use texting or Tweets to updates teachers.
  - Use the blog to post instructions on how to access podcasts, video clips etc.

### Smartboards -

- Can work together with *TInspire* technology
- Interactive, 3D, saves images
- Needs lots of training for teachers to feel comfortable
